Christmas Hamper Competition

Please join us in helping families in need during this Christmas season. We will be holding a Christmas Hamper completion and would ask families to contribute non-perishable goods. Thank you in advance for your support.

Coats for Folks

We are happy to promote this amazing local initiative for either Donation or Pick-Up. There are clean, warm clothes for men, women and children. Everyone is welcome.

Coats for Folks is open Tuesday to Friday from 11 am until 3 pm. They are located at 710 First Ave.

High School Ornament Decorating

Our high school friends have invited us over for some festive fun on Dec. 16, 19-20th. We will be walking over to decorate ornaments and enjoy some Christmas treats for an hour.

Christmas Concert

It is hard to believe that the Christmas concert is only a couple weeks away. All children have the opportunity to be part of the show. Students will be asked in the upcoming week, during Fine Arts, if they plan on being in attendance. The concert will be held @ **7:00 p.m. on Thursday, December 22nd** (1:30pm-dress rehearsal). We invite all who can't make it to the evening show, to come to the afternoon show.

Students who are part of the production, "Jingle Bell Hill" (and learned their part out of class time) have already been given a costume suggestion guide. This costume will be worn throughout the show. Please see Ms. Furlan if you need another copy. Thank you and see you at the show!

SCHOOL CLOSURES

If schools are closed due to snow, or any other weather-related problems, announcements will be made on local radio stations (WOLF 106.9 FM, WAVE 102.3 FM, and 91.7 COAST FM) by 7 a.m. on the day of the closure. Please do not call the radio station – tune in and listen for the announcements, which will be made on a regular basis.

In addition, the district will post the information on the district's website, Twitter, Facebook and mobile app. Please keep in mind, however, that there may be situations where this is not always possible, for example, power outages or technical problems. The most reliable method is to listen to the local radio stations.
